Shark and the Goldfish: Positive Ways To Thrive During Waves of Change by Jon Gordon

In *The Shark and the Goldfish*, Jon Gordon shares an inspiring fable about Gordy, a pampered goldfish who gets swept out to sea. Desperate for food, Gordy meets a kind shark who teaches him the ultimate lesson-Goldfish wait to be fed. Sharks go find food. Gordy also learns that the difference between a full and empty stomach is our faith, beliefs and actions. In the face of adversity and lean times, this is a business fable that reinforces a proven truth: You can't control the events in your life. But you can control how you respond and in turn this determines the outcome.

Tribes: We Need You To Lead Us by Seth Godin

Tribes, Seth Godin says, can be within or outside a corporation, and almost everyone can be a leader; most are kept from realizing their potential by fear of criticism and fear of being wrong. The book's helpful nuggets are buried beneath esoteric case studies and multiple reiterations: we can be leaders if we want, tribes are the way of the future and change is good. ***HD57.7 .G6546 2008***
